To the First Edition.

THE Design of the following LIST is to assist the Reader in finding any BOOK required, with greater Ease and Expedition. Also, that he may be at a Certainty in the Editions, I have prefix'd their various Dates and Value. The Method is Alphabetical, either of the Author's Name, or principal Matter. As for Example, Compleat Attorney, Practising Attorney, under Letter A. Law of Ejectments, Law of Errors, under Letter E, &c. Where the Author's Name is prefix'd, as Duncombe's Trials Per Pais, under the Letter D. The few Abbreviations, any Gentleman acquainted with the Law, will easily understand. Those in the First Column, on the Left Hand, are designed as principal Heads, whereby the BOOK look'd for may be found (observing the Directions above) at one View.

Some Improvements have been made in this CATALOGUE, by acquainting the Reader in what Courts the Reports were adjudged, and in whose Reign, with other useful Observations.

In this New Edition I have made great Alterations of the Prices. The late Act of Parliament for rendering the Law into English, having lessened the Value of many Books, especially the Latin Entries. All the New Books and the Table of the Cotemporary Reporters are added, with some necessary Corrections.
